Based on the review of the submitted technical documentation, conducted verifications and tests the Engineering Test Institute hereby certifies that the characteristics of the product samples concerned have been found to be in conformity with the requirements for

resistance grade Z2 in accordance with ČSN 91 6012:2001.

Product certification scheme applied: ČSN EN ISO/IEC 17067:2014, scheme type 1a.

The present Certificate has been issued on the basis of Final Report 32-9551 of 29 September 2014, issued by the Engineering Test Institute.

The Certificate is valid until 29 September 2017 provided that its holder does not break the handling rules. The rules for using the Certificate are specified overleaf.

Brno, on 30 September 2014

Ing. Pavel Štícha
Head of Certification Body

RULES FOR USING THE CERTIFICATE

For the purpose of releasing the product on the market, this Certificate may only be used within the period of its validity and under the condition that the provisions of the standard according to which the product has been certificated are applicable.

The Certificate may only be used as a certificate for the product specified on the first page. This also holds true for use in advertising, promotional and commercial materials. Unauthorized or deceitful use of the Certificate may result in its withdrawal.

It is forbidden to change, amend or overwrite the data contained in the Certificate.

The Certificate may not be used to document the properties of product changed without the consent of the Engineering Test Institute in such a way that conformity with the standard specified on the previous page is affected.

The Certification Body requires that the Certificate holder keeps records of all complaints and remedies applicable to the products included under this Certificate.
